

## MIXTAPE LISTENING PARTY WITH JANN ARDEN AND ERICA EHM FAQ

- Capacity is limited to 1000 viewers on a first come basis.
- Audience members can watch the livestream from their computer on Chrome or Edge or with the MacOS app.
- Audience members can also join using Safari or the mobile app, but live call-ins are not supported on these channels.
- Once the recording begins, the audience sees the host and guests live in the digital studio.
- All audience members can participate in the live chat to ask questions with the option to request to join the live recording.
- In addition to watching the live recording session and participating in the live chat, audience members can also request to join the live studio session and be recorded, which is called a **live call-in**.
- **Only audience members joining the livestream from a computer using Chrome or Edge can request a live call-in.**
- Here is a video that explains how to request a live call-in to ask Jann and Erica a question: <https://player.vimeo.com/video/926793965>
